

# Supply Imaging Limited

Magpie Cottage  
Bar Lane  
Falmouth  
Cornwall  
TR11 4BL

Mobile: 07970 250698

## **Domain Name ownership**

Domain names will be registered by Supply Imaging Limited.  
The control of these is easier this way.

### **If you want control of your domain there are two ways to do it.**

- 1) Leave the domain control with Supply Imaging Limited and use their hosting for the domain. This allows you to upload your own design web site ( or use a web design company ), while Supply Imaging Limited hosts the site and domain. Cost from £25 per year + vat.
- 2) Pay your account with Supply Imaging Limited and have the Domain transferred to your control and hosting company. Cost, maximum of two years domain registration cost. For example on a .co.uk domain that would be £20, with the remaining time paid for and transferred with the domain.

### **If you no longer want the domain there are two options.**

- 1) Pay your account up to the end of the period and say that you no longer want it.
- 2) Pay Supply Imaging Limited a holding fee to keep the name. Cost, from £5 a year (minimum period two years) + vat.

Many Thanks

Martin Perrett
